

## Superior Hiking Trail Association

### 2018 Trail Use Notification

**BEFORE YOU START: BE SURE to download and save this document to your desktop.**

You're providing this information will help the Superior Hiking Trail (SHTA) minimize or prevent crowding and conflict where large user groups (e.g. hikers/campers, trail races) use the same section of the Superior Hiking Trail at the same time. It also helps us gauge the level and intensity of use for maintenance purposes.

**For formally organized institutions, associations, clubs, and private businesses** (e.g. Scouts, running clubs, LLCs, nonprofit groups, colleges and other schools): please provide a certificate of liability insurance for the event in the amount of at least \$1,000,000 for each occurrence. The Superior Hiking Trail Association must be named as an additional insured on the liability insurance and the certificate must contain this language:

*The Superior Hiking Trail Association, its officers, employees, and contractors are named via endorsement as an Additional Insured under the terms of this policy.*

**For large hiking-camping groups:** provide this information only if your group is larger than eight people AND if you plan to camp on the trail for three nights or more.

**For any and all large groups using the SHT:** use of the Trail is free, of course, but maintaining and renewing it is not. We would appreciate a donation to the SHTA from your organization as a way to support the ongoing work to keep the SHT a world-class hiking trail. Donate here: <https://shta.org/donate/>
