Pages 68-72:

There is no more Lismore Trailhead. It is legal to park alongside the road (not overnight). Overnight parking should be diverted to Martin Road or Normanna Road Trailheads. SHTA is working on a new trailhead in this area. If you park where the Lismore Road Trailhead used to be, you will be trespassing.

Page 92:

There is no yellow gate where the NSST and the SHT meet up, right there by the railroad underpass.

Pages 105-108:

Gooseberry Re-route: SHTA will *not* be opening the Gooseberry Re-route in the near future. We ran into wetlands issues that need to be resolved. This will take time, effort, and funding.
